

**Communities That Care**  
**General Meeting**  
Meeting Summary  
July 8, 2005

Present: Nancy Irvin, Jill Jurvelin, Tammy Roberts, Greg Johnson, Krystal Hodgson, Amy Bartoo, Shannon Nesbitt-Dodd, Anne Chatfield.

Meeting called to order by Greg Johnson.

Introductions were made.

Overview of CTC by Amy.

Discussed the top risk factors that were addressed in the CTC survey results. We need to take a more positive approach in trying to get parents to become more involved with prevention programs. Parents are hard to reach unless they are somehow mandated to come to programs by courts/probation, etc. We would like to persuade adults to come to programs on their own without being mandated.

Fountain of Wishes was discussed. The Alliance will be hosting the event at the end of the process where the fountains will be auctioned. Several locations were discussed and also the types of activities we would like to see offered during the event. The \$6,000 sponsor fee pays for the artist, maintenance on the fountains, the final event, advertising, etc. Non-profit agencies will then receive the proceeds from the fountain auction.

Resource Committee met and is working on getting out the surveys that will show what programs are currently offered through different organizations.

Outreach Committee has not yet met on the CTC results.

Discussed when everyone would like to have the next training on the CTC process. No date was decided on. Benchmark is looking at helping with funding for the final part of the process. Nancy explained how the financial process has worked in the past.

Next meeting will be August 12, 2005.
